

Dear Friends of Big Horn School,

On behalf of the Big Horn Education Fund (BHEF) Board, it is a privilege to share that we granted our 241st scholarship in 2020! Over the years, our scholarships have helped make dreams a reality for the students of Big Horn High School.

Alison Wigglesworth was a recipient of the scholarship as a graduate of Big Horn High School in 2009. She is the daughter of Linda and Roger St. Clair and John Wigglesworth. Alison's dedication to the community has created meaningful connections, allowing her to step into leadership roles and contribute her unique leadership perspective. Her "Big Horn spirit" continues to pave the way as she volunteers and serves in a variety of capacities within Sheridan County. She serves on the Board of Directors for Bought Beautifully and Sheridan KidsLife, as well as on the Steering Committee for Leadership Sheridan County. Alison and her fiancé, Jared Meacham, both find joy in being involved with the Sheridan and Big Horn communities.

The Big Horn Education Fund scholarship helped Alison look to the future as she obtained her BS in Accounting from the University of Wyoming. After graduating in 2014, she was excited to return to Sheridan and begin her career at Frontier Asset Management, an investment management firm. Alison currently serves as Controller, holding a CFA Institute Investment Foundations™ certificate. She has completed the Series 65 Uniform Investment Advisor Law Exam and continues to grow in her leadership role within the company.

Alison feels fortunate to have received the support of the BHEF. Her passion to carry on the Big Horn Alumni legacy inspires her to serve on the BHEF Board of Directors as Treasurer, as well as the committee's liaison for senior scholarship recipients. The investment that the Big Horn community provided Alison has encouraged her to share her talents, helping Big Horn seniors in pursuing *their* dreams!

Please consider a gift to the Big Horn Education Fund to ensure that this opportunity endures for future Big Horn seniors. Your support shows the power of generosity that shines bright within our Big Horn community.

Sincerely,

Audrey Kirven Steinhorst
President, Big Horn Education Fund
